PRESS RELEASE

Introducing Atten Babler Commodities LLC

Galena, IL, March 23, 2012 – We are pleased to announce the formation of our new futures brokerage company, [Atten Babler Commodities LLC](http://www.attenbablercommodities.com). Effective immediately, we are transitioning from a branch office of our prior clearing firm into a Guaranteed Introducing Broker of ADM Investor Services (ADMIS). We are excited about our new relationship with ADMIS. In today's volatile markets it is important that both we and our clients can rely on the capabilities and financial strength of [ADMIS](http://www.admis.com).

The Principals of our firm are Carl Babler, Chris Atten and Will Babler. Our team of brokers, analysts and administrative staff will continue to provide full-service commodity risk management education and brokerage services. Our offices will remain in Galena, IL. We welcome any inquiries about this press release or our services in general. Please do not hesitate to contact us using the information provided below.

Company Information

Atten Babler Commodities LLC is a full service futures and option brokerage firm specializing in agricultural and related commodity markets. For over twenty years our principals have assisted commodity producers, processors and end-users in capturing opportunity and minimizing commodity risk.
